Diversion of land from food crops to cash crops

2843. SHRI KAMAL MORARKA:
SHRI V. NARAYANASAMY:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that farmers are shifting from food crops to cash crops because the input cost including fertiliser prices arc high at present;

(b) if so, the details thereof;

(c) whether Government have any strategy to stop this shift which may prove costly in a couple of years;

(d) if so, the details thereof; and

(e) whether Government propose to given support price to farmers in view of the increase in input costs'?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI MULLAPPALLY RAMACHANDRAN): (a) There is no significant shift in the pattern of crop production indicating a diversion of area from food crops to cash crops.

(b) to (d) Do not arise.

(e) As a part of the Agricultural Pricing Policy, the Government is fixing support prices of various food and non-food crops every year in such a way that it takes due consideration of various factors including increase in input costs.
